Ranking points

Gothenburg Games is a part of World Indoor Tour and as a Challenger meeting (D) the following placing score will be handed out to top eight.

40 - 35 - 30 - 25 - 22 - 19 - 17 – 15 points.

This is true with exception for women's 3000 m where the following placing scores will be handed out to top eight.

35 - 27 - 22 - 19 - 16 - 14 - 12 – 10 points.

The points will be handed out according to the total result list. For example if the winner in men's 800 m B-final have a better time than the winner in men's 800 m A-final 40 points will be handed out to the winner in men's 800 m B-final.

The exception for the information stated above is men's and women's 60 m where the points will be awarded only to top eight in the section called final. As qualification is needed to reach men's A-final only those in the A-final can earn the placing scores.

Medical care

There will be doctors and nurses present for the entire competition.

Anti-Doping

Athletes must bring a valid photo identification such as Passport to the competition. If you should be chosen for doping test you must be able to identify yourself.
